Monica Mavis
Communications Chair
(623) 203-5177

Ann Gallagher
Job Bank Chair
(602) 522-6469

We welcome you back to another year full of information, networking and opportunity! Each month the Phoenix Chapter of the Worldwide Employee Benefits Network supports and furthers the development of Employee Benefit professionals from diverse disciplines through educational meetings, publications and networking opportunities.

We are committed to helping define the role of the Benefits professional in the 21st century. As changing legislation, technology and market forces reshape the profession, products and delivery systems, your local WEB Chapter will continue to keep you current on trends and practical skills choosing hot topics to help you meet the challenges ahead.

Member Incentives

As a WEB member you receive the benefits of reduced fees for local chapter meeting registration, WEB job bank access, member exclusive benefits, and local/national leadership development opportunities. WEB members have access to other members through a searchable database. You can become further informed by networking through WEB.

Monthly Meetings

Our monthly breakfast meetings are held the second Thursday of each month (September through June) at the Phoenix Country Club, with the exception of our December charity luncheon. Detailed presenter, times, and location information are loaded on our website at www.webnetwork.org/phoenix. Select **Events** at the top of the page for additional information.

Sponsorship and Speakers

Companies or individuals interested in sponsoring or speaking at a monthly meeting are encouraged to contact Peggi Goss or Marcy Pruitt (see contact information to the left).

We hope to see you at a WEB meeting soon!

Best regards,

Marty Matyas
WEB Phoenix Chapter President
