

How to be a WEB Sponsor at the National and Chapter Level-

Be a WEB sponsor and reach the benefits professionals who use your services. WEB is a not-for-profit organization with 12 Chapters located across the country. While the Chapters sponsor local membership events and programs, National WEB functions as the administrative center for membership, promotion and educational support.

WEB National:

- Maintains the www.WEBnetwork.org website,
- Manages membership accounts,
- Distributes newsletters and other educational materials,
- Conducts national webinars, and
- Oversees LinkedIn discussion groups and other WEB social media.
